XV 2.0i-S
ACCESSORIES

The XV 2.0i-S Accessories Package (now at RM2,839) includes:

Front Under Spoiler

Designed to direct airflow more efficiently to generate a generous amount of front-end down force, which helps to improve stability on the road and increase front wheels traction at high speeds.

LPH96020MB030

Rear Under Spoiler

Completes the package by adding on to the down force needed for smooth handling. Furthermore, it shows an aggressive side of the XV 2.0i-S from the rear as well.

LPH96050MB000

Roof Spoiler

To achieve optimum aerodynamic balance, the roof spoiler generates down force from the airflow over the back of the XV 2.0i-S to further improve high-speed stability.

LPH96050MB060

Side Under Spoiler

Significantly help in channeling a better air flow at high speeds and giving the XV 2.0i-S a distinctive sporty look and feel.
