

SUBARU XV

SUBARU

*Confidence in Motion*

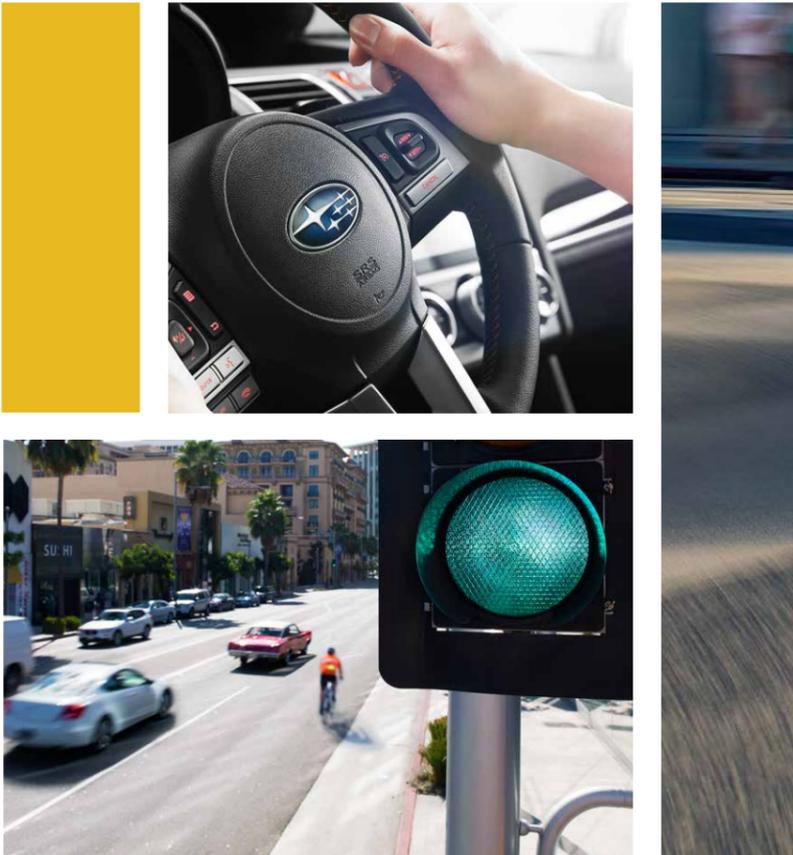

## ORCHESTRATE YOUR LIFE.

Your life. It's a wild symphony of adventure and misadventure. Harmonise it all with the redesigned SUBARU XV, a vehicle versatile enough to bring balance to the wonderful pandemonium that is your life. With an exciting new look, a confident connection to the road, and lively driving feel that you can only find in a Subaru, there's little that can get in your way.

# FIND ADVENTURE IN EVERY MOMENT.

Don't let anyone tell you otherwise. You can do whatever you want, whenever you want. Visit the mountains and the beach in the same day. Attend every outdoor music festival on the calendar next summer. Go to the slopes every weekend next winter. Embrace your social life, professional life, and all your passions and hobbies. Built to handle all the adversity and the adventure you can throw at it, the SUBARU XV is ready for your wild dreams and big plans.

# NO CHALLENGE TOO BIG.

The SUBARU XV craves challenges and embraces adversity. With a cargo area that is increased by folding the 60/40 split rear seats down individually or together, the SUBARU XV has the capability to help you bring what you need. Even with four other passengers and extra gear, the SUBARU XV is ready to roll.

## VERSATILE CAPACITY

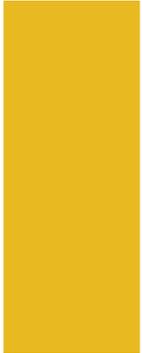

The SUBARU XV can carry five passengers and pack five carry-on suitcases at the same time. 60/40 split rear seats mean the SUBARU XV has the versatility to hold a rear occupant and a bike at the same time. With 1,200 litres of cargo volume\*, a nearly square rear gate and flat-folding rear seats, it'll take on your latest urban or outdoor excursion with ease.

\* Measured by VDA (V214). Without sunroof.

# LET THE ENDORPHINS FLOW.

Make it turn, make it go, make it stop. Carve your own path. It's a feeling every SUBARU was engineered to help drivers experience, and the new SUBARU XV continues this tradition with a bold new look to back up its lively performance. Made clear by numerous visual refinements, including a stylish new grille, bumper and headlamps, the SUBARU XV leaves an impression that lasts.

## URBAN JUNGLE FLAIR.

Restyled and recharged with a refreshing new look, the SUBARU XV blends functionality and form like no other. Neither too big, nor too small, never too flashy, nor too dull, it grabs your attention but doesn't steal the spotlight. Daring and unassuming at the same time, the SUBARU XV is ready take your life to new heights.

# CONTROL YOUR UNIVERSE.

Once behind the wheel, the SUBARU XV is a reflection of you. Control your smartphone via the colourful touchscreen so you can easily stay connected to your contacts and all the music you love while staying focused on the road.\*1

## 6- OR 4-SPEAKER PREMIUM AUDIO SYSTEM

Let your music come alive with the standard 6-speaker 180-watt system for the 1.6i Premium, 2.0i and 2.0i Premium models. Speakers are tuned for the SUBARU XV's acoustics, resulting in a rich sound that enraptures the senses. The 6-speaker option features USB input, Bluetooth\*\*2 hands-free calling, and two additional speakers integrated into the instrument panel, which further accentuate the mids and highs for a fuller sound.

## BLUETOOTH\*\*2

With the ceiling-mounted microphone added, the available Bluetooth\*\*2 hands-free system automatically connects your compatible mobile phone for convenient, hands-free talking. It also enables you to wirelessly stream audio from the compatible Bluetooth\*\*2 music player and read your e-mails.

## REAR VISION CAMERA

Enjoy the ability to manoeuvre the SUBARU XV in tight city spaces with ease using the Rear Vision Camera System, standard on 1.6i Premium and 2.0i Premium. When the driver shifts into reverse, the camera displays a live colour image on SUBARU XV's in-dash display, along with guidelines to assist in parking manoeuvres.

\*1 Driver is always responsible for safe and attentive driving. Please refrain from operating the touchscreen whilst driving.

# PLUGGED INTO YOUR WORLD.

With its redesigned interior, the stylishly rugged SUBARU XV has a well-cultivated inner-geek. The SUBARU XV is always on standby, ready to crunch numbers and manage playlists at your command.\*1

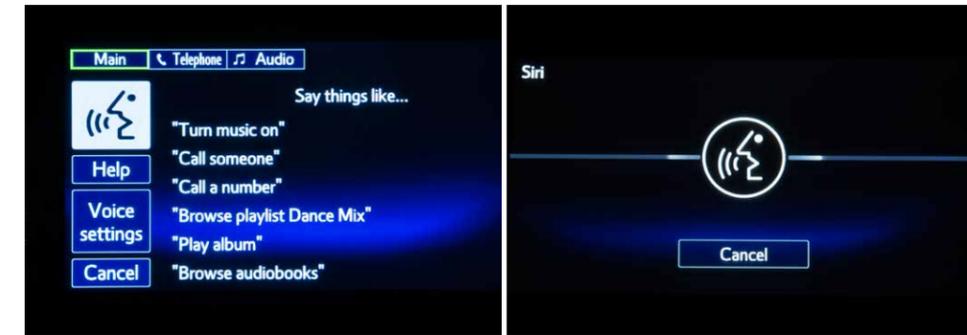

## HIGH-GRADE MULTI-FUNCTION DISPLAY\*2

Need info? This display shows you time, temperature, self-check maintenance alerts, and safety information such as Vehicle Dynamics Control monitoring. Track your fuel consumption so you can be kinder to Mother Nature on your epic road trips.

## TOUCHSCREEN CONTROL

The touchscreen is a useful way to select your music, just as you would on your smartphone. Simply connect your smartphone through Bluetooth\*\*3 or the USB port, and you can choose your music right on the touchscreen.

## VOICE RECOGNITION\*4 AND SIRI EYES FREE\*5\*6\*7

Your SUBARU XV has more hand-free options than ever before, thanks to intuitive Voice Recognition\*4 and Siri Eyes Free\*5\*6\*7 integration. Use Siri to link your compatible Apple\*7 product to your SUBARU XV, allowing you to make hands-free calls, play music, check emails and search the web. Even without Siri, you can still have hands-free interaction with telephone and audio systems for added ease in every drive.

# INGENIOUSLY DESIGNED. EXCLUSIVELY STYLED.

Your space, your world. Cozy, connected, and convenient. A place you won't be spending downtime, or "go time." It's your very own rolling clubhouse.

## ENTERTAINMENT THAT MAKES AN INSTANT CONNECTION

Play your soundtrack, all the time. Plug in your iPod\*<sup>1</sup> or other portable music player to the standard AUX or optional 2 USB input jacks and listen to your favourite MP3 or WMA\*<sup>2</sup> tunes through the robust SUBARU XV audio system. In addition, voice commands enable you to search your music and access other commands.

## MORE COMFORT FOR EVERYONE

The SUBARU XV features many innovations to put you and your passengers at ease. The seats are thoughtfully designed for long-term comfort with supportive, vibration-absorbing cushioning. For a better, more confident view of the road, it has an elevated hip point. And you'll find convenient touches easily at hand, like a smartly sliding centre armrest, and angle-adjustable headrests.

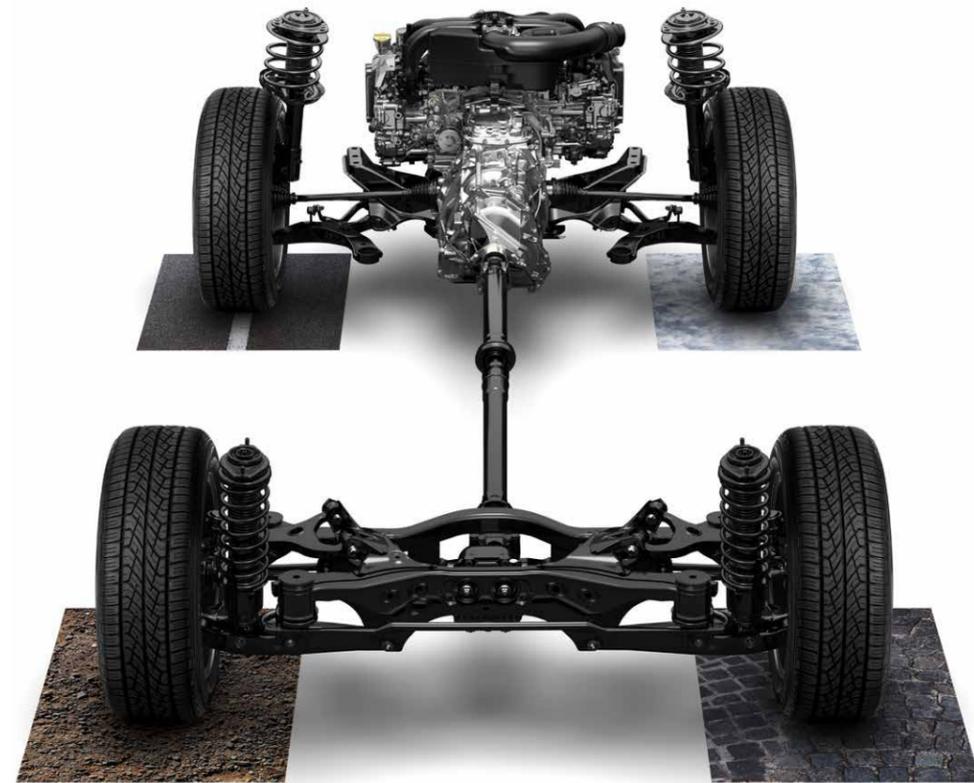

## INSPIRATION COMES IN ALL SIZES

There are big ideas for life's little things, too. Pockets in each door include bottle holders to keep yourself refreshed. The centre console includes cup holders, a tray and a padded armrest that opens to reveal added storage and a 12-V power outlet.

# SYMMETRICAL ALL-WHEEL DRIVE

When you drive the SUBARU XV, there's little that can stop you from having a good time. That's because the SUBARU XV gives you the high ground clearance of an SUV, the low centre of gravity and balance of a sports sedan, and Symmetrical AWD. Matched to the SUBARU BOXER engine for a near-perfect symmetrical layout, it delivers gratifying power with exceptional traction, providing balance and stability for total control in ever-shifting road conditions. The result is a vehicle that gives you peace of mind and confidence like no other - this is the essence of the SUBARU driving experience.

## 6-SPEED MANUAL TRANSMISSION + VISCOUS CENTRE DIFFERENTIAL AWD

Geared for exciting response and control, the 6-speed manual transmission enables you to define your own driving style. It features Auto Vehicle Hold to help you avoid rolling when starting on a hill. The gearbox is paired with an AWD system utilising a viscous limited-slip centre differential (LSD). Whenever the balance of traction changes, the LSD instantaneously redistributes the torque to the front and rear wheels as needed.

## LINEARTRONIC + ACTIVE TORQUE SPLIT AWD

The SUBARU XV achieves exciting levels of response and efficiency with Lineartronic Continuously Variable Transmission. This compact and lightweight transmission dramatically improves fuel efficiency by keeping the engine in its optimal rev range, and preserving momentum that's often lost during a gear shift. Working in unison with Lineartronic, Active Torque Split AWD sends 60 percent of its torque to the front wheels, and 40 percent to the rear wheels under normal conditions. When conditions are more demanding, the system reacts in real-time by adjusting the front and rear wheel torque distribution as well as the transmission. This further increases the stability of the AWD system to deliver a safe and agile driving experience.

# SUBARU BOXER ENGINE

Few cars deliver the thrilling eagerness and spontaneity of the SUBARU XV. It's achieved with the horizontally opposed SUBARU BOXER engine, which places the pistons 180 degrees apart for a lower, flatter profile compared to other engine types. This gives the powerplant - and by extension the whole car - a lower centre of gravity and more balanced weight distribution. In addition, the pistons' opposing movements counteract each other, which naturally reduces vibration.

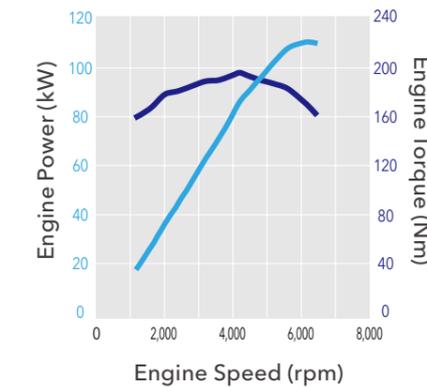

## 2.0-litre DOHC SUBARU BOXER

**MAX OUTPUT:**  
110 kW (150 PS) /  
6,200 rpm

**MAX TORQUE:**  
196 Nm (20.0 kgfm) /  
4,200 rpm

**FUEL CONSUMPTION\*:**  
7.9 lit./100 km\* (Lineartronic),  
8.0 lit./100 km\* (6MT)

**CO<sub>2</sub> EMISSIONS\*:**  
187 g/km\* (Lineartronic),  
189 g/km\* (6MT)

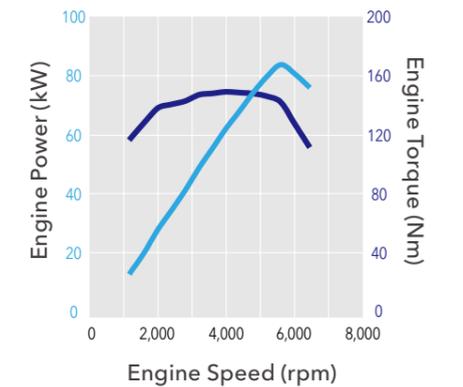

## 1.6-litre DOHC SUBARU BOXER

**MAX OUTPUT:**  
84 kW (114 PS) / 5,600 rpm

**MAX TORQUE:**  
150 Nm (15.3 kgfm) /  
4,000 rpm

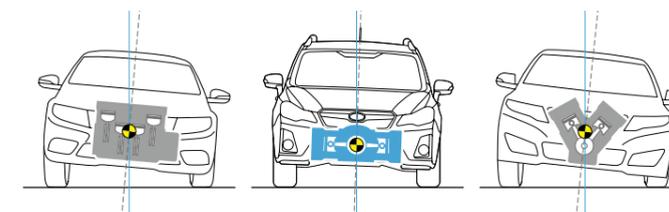

**FUEL CONSUMPTION\*:**  
7.3 lit./100 km\*

**CO<sub>2</sub> EMISSIONS\*:**  
171 g/km\*

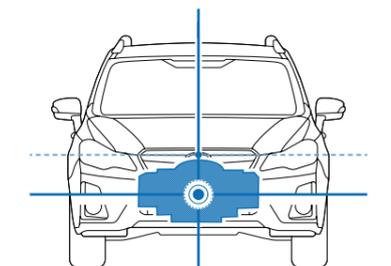

## Long-lasting performance

The engine's flat design is inherently rigid and self-balancing, generating less vibration than V-type or 4-cylinder in-line engines in the same class for durability and reliable performance.

## Increased stability

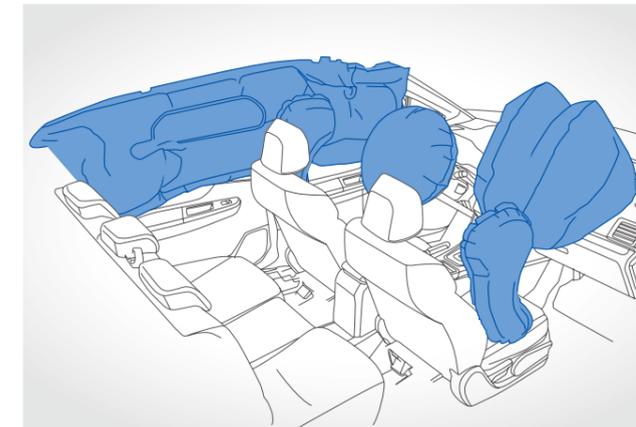

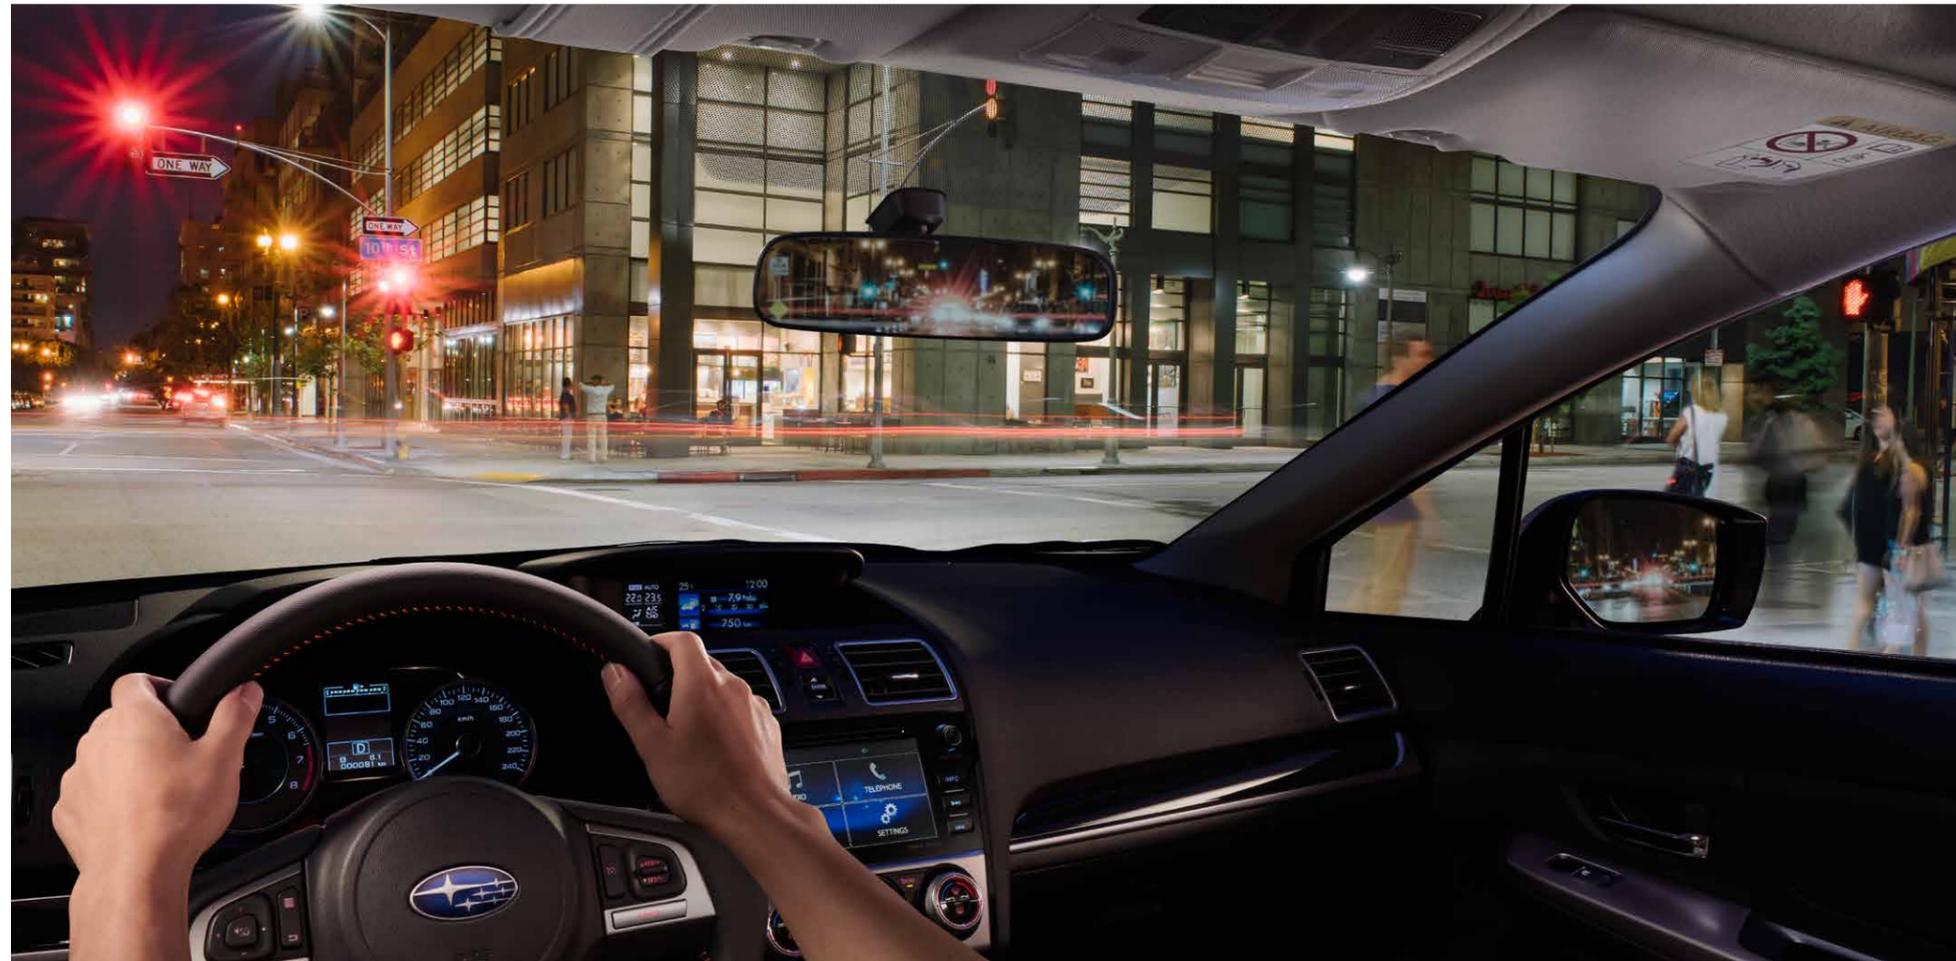

Because the engine block has a flatter profile and sits lower in the chassis, the overall vehicle is more stably balanced and resistant to side-to-side motion than other designs.

\* Fuel consumption and CO<sub>2</sub> emissions: According to ECE R101.

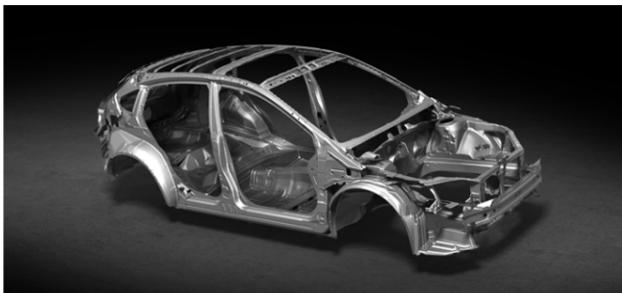

# WE'VE GOT YOU COVERED.

To help you avoid accidents and protect you when they can't be avoided, the SUBARU XV is equipped with an assortment of active and passive safety features. Subaru Active Safety helps you circumvent trouble with predictable handling, precise control, excellent visibility and advanced technologies that help you avoid incidents before they happen. Passive safety features include systematically placed airbags, whiplash-reducing front seats, retracting pedals and 3-point seatbelts—that are all there to help protect you if the unthinkable occurs.

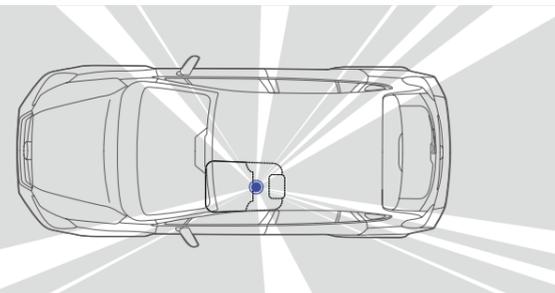

## SEATS, SEATBELTS AND SRS\*2 AIRBAGS

Height-adjustable front seatbelts feature pretensioners that hold passengers firmly in place. And the SUBARU XV features whiplash-reducing front seats and energy-absorbing head restraints that can help better protect front occupants from injury during a rear collision. Even the rear seats have been optimised for protection, with the seating position set back to reduce the effects of a side impact. Front, front-side and curtain SRS\*2 airbags are standard on 1.6i Premium, 2.0i and 2.0i Premium, optional on 1.6i. Also, tether and ISO-FIX anchors—which don't compromise luggage room—facilitate easy installation of compatible child safety seats.

## RING-SHAPED REINFORCEMENT FRAMES

The Ring-shaped Reinforcement Frames strengthen the passenger cabin from the roof to the doors, pillars and floor. This helps divert and dissipate impact energy away from the occupants in a collision. The frames for the SUBARU XV feature high-tensile steel designs that are strong and rigid yet lighter weight.

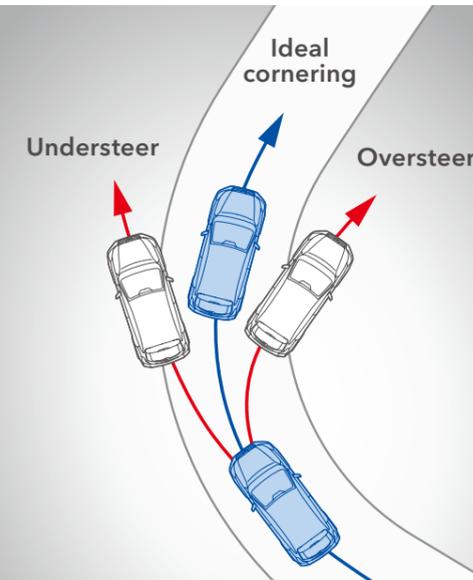

## VISIBILITY

To avoid danger, you have to see it coming - and the SUBARU is designed for the driver to have maximum awareness of the surroundings. The high vantage point of the SUBARU XV and dynamic cabin-forward design with its triangular window partition minimise blind spots with improved visibility. What's more, the available rear vision camera gives you an even clearer view of what's behind.

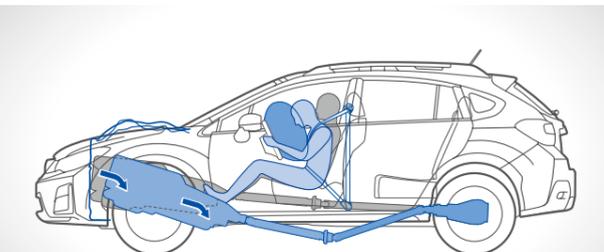

## 5-STAR EURO NCAP RATING

The SUBARU XV sets the standard for passenger protection. Meticulously engineered and scrutinised, it's why the SUBARU XV leads with a 5-star Euro NCAP rating\*1 - the highest possible for a motor vehicle.

## VEHICLE DYNAMICS CONTROL SYSTEM

Vehicle Dynamics Control System monitors and analyses if the vehicle is following the driver's intended course via an array of sensors. If a tyre slips or a high speed turn causes the vehicle off its intended path, the AWD torque distribution, engine output and brakes at each wheel are adjusted to assist in keeping the vehicle on course.

## CABIN-PROTECTING LAYOUT

Every SUBARU goes above and beyond common practice when it comes to your safety. In the event of a head-on collision, your SUBARU XV's SUBARU BOXER engine and gearbox are designed to avoid crashing into the cabin for your protection.
